OBJECTIVE OF PLACEMENT CELL

- To place the students according to their areas of interest in organization/ institution.
- To guide the students for the development of soft skills through pre-placement activities.
- To bridge the gap between college and industries.
- To increase awareness amongst current students about placement opportunities in industries and various skill-sets required.
- To determine opportunities for Arts , Commerce, Science U.G and P.G students.

PLACEMENT MECHANISM

College has placement cell under IDP , OHEPEE for the session 2021-2022 as per the Govt ct no 2394 dated 25-10-2022 for U.G and P.G students. Variety of activities are arranged under the placement Cell Conducting aptitude test, seminar, group discussion, guest lecturers by industrial experts and soft skill workshop. The placement cell committee takes efforts to call the companies for campus placement. A communication is through HR group by tele phonic contact , mail, visit to company or in collaboration with district employment office.

The students data base is forwarded to the industries or company as per their requirement. Some of them provide industrial training and campus recruitment. As per their policy they short list the student. After finalization of date and time, the company, conducted campus drive in the college premises or they call the through the aptitude test they are qualified for the next round like technical and HR interview. Once a student is placed in one company then he/she is not allowed for the other companies drive.
